

SUPPORT SWITCH

The 13th Sustainment Command from Fort Hood, Texas, took over responsibilities at Logistical Support Area Anaconda on Sept. 16, according to a command press release.

The 3rd Corps Support Command relinquished Anaconda during the ceremony and will redeploy to Wiesbaden, Germany.

SPC AMANDA-SOLIFANT/AMSTT

Brig. Gen. Michael J. Terry helps uncase the colors of his 13th Sustainment Command at Logistical Support Area Anaconda, Iraq, to mark replacing the 3rd Corps Support Command for corps-level logistical support.
